CLUB COMMENT

Once again we go into Cup action with a home Football League Cup Second Round Tie versus Bolton Wanderers. This is the second time that we have played Wanderers in this competition, going out in the first round of season 1971-72 after a replay. We hope that we can improve on that result tonight, and continue our recent run of Cup success by going through to the draw for

SUPPORT

the Third Round.

We ask for all our supporters to give us all the encouragement they can. Cheer us on all you can. But in supporting the team, don't do anything silly, don't do anything that can cause the law to be broken. We ask you all, please behave yourselves, and we include that appeal to the people who have crossed the Pennines in support of Bolton.

We hope that tonight will be an entertaining one for you all, and hope that the football you see makes you want to come back and see more. Both teams will be aiming to play good football, and whilst we hope that we defeat Bolton, we extend to them the saying, 'may the best team win'.

LEAGUE CUP

We have a fairly good record in the League Cup against teams from higher Divisions, defeating in the past such names as Manchester United, Charlton Athletic, Sunderland, York City and Oldham Athletic, and put up creditable performances against such as Aston Villa, and Carlisle United. We hope that we can continue this tonight and achieve a favourable result against Bolton.

We hope that tonight's will be a good game, and that all will enjoy it.

BOLTON WANDERERS F.C.

It was a case of being the bridesmaid but not the bride for Bolton last season. At one time they looked as if they were going to clinch promotion but towards the end of the season they went through a patch of nine games in which they only won once and so missed First Division status at the end by just one point.

In the F.A. Cup they reached the fifth round, only to go down to Newcastle United in a second replay at Elland Road and so it was a case of what might have been.

Managed by Ian Greaves, the former Huddersfield Town manager, Bolton have one of the finest traditions in the League, being one of the original founder members in 1888. They were founded in 1874 by men associated with Christ Church Sunday School, Bolton, and became known as Christ Church until 1877.

They were Second Division champions in 1908 and runners-up in 1899-1900, 1904-5, 1910-11 and 1934-35, and carried off the F.A. Cup in 1923, 1926, 1929 and 1958, while being defeated finalists in 1894, 1904 and 1953.

PLAYERS' ROLL CALL:

Goalkeeper BARRY SIDDALL was signed as an apprentice pro. in July 1971, turning pro. in the following January. Made his League debut at Walsall in October the same year. JOHN RITSON is Liverpool-born and has been with the club since leaving school. Graduated through the club's junior sides before making his debut in 1967 and is approaching his 300th League appearance. PETER NICHOLSON was born at Cleator Moor, Cumbria, and started his League career with Carlisle United before joining Blackpool in 1970. Moved to Bolton 12 months later. TONY DUNNE, Eire International, made over 400 League appearances with Manchester United before moving to Burnden Park in July 1973. ROY GREAVES is a native of Farnworth, near Bolton, and another long-serving member of the side, having played in over 350 League games. PAUL JONES is from Ellesmere Port and missed only one League game last season. Has fulfilled the promise shown when a youngster and now has over 200 League games to his credit although only 23. SAM ALLARDYCE is a native of Dudley and a product of Bolton's youth policy. He signed pro. in November 1971 and made his League debut two years later. Missed only two League matches last campaign. WILLIE MORGAN, Scottish International, was obtained on a free transfer from Burnley in March this year, some nine months after Burnley had paid Manchester United a fee in the region of £32,000 for him. Had started his career with Burnley and has made nearly 450 League appearances. NEIL WHATMORE played in the last 35 League games last campaign and scored twice on his League debut at Swansea in April 1973. GARRY JONES joined the club straight from school and made his League debut with Huddersfield in 1969 since when he has made over 170 League appearances and had a spell on loan with Sheffield United. PETER REID is in his third full season with the club. Hails from Huyton and was signed pro. in May 1974, making his League debut as a substitute the following October. Like Sibbald and Greaves, was an ever-present last season. PETER THOMPSON, former England forward, started his League career with Preston. Moved to Liverpool with whom he made over 300 League appearances before joining Bolton on loan for six weeks and then being signed for some £18,000. HUGH CURRAN cost in the region of £40,000 when signed from Oxford in September 1974. Has previously been with Wolves, Norwich and Millwall. ALAN WALDRON is another player who joined straight from school and is a brother of Colin Waldron, the Manchester United and former Burnley defender.

LEAGUE CUP ROUND-UP

After the two legs of the first round of the Football League Cup had been completed, only seven clubs from the Fourth Division knew for certain that they had made their way into the next round. Bradford City, Cambridge, Exeter, City, Huddersfield Town, Swansea City, Torquay United and Watford were the successful clubs, but the tally must be at least nine for the Darlington v Halifax and Stockport v Workington ties had to be resolved with a replay.

Other clubs in the Fourth who had to do battle again to reach the next round after finishing on level aggregate were Barnsley, Colchester United, Scunthorpe United and Southport.

Scoring feat of the first round undoubtedly went to Cardiff City's Tony Evans, a free transfer capture from Blackpool in June last year. After scoring one of their two goals in the 2-1 first leg win over Bristol Rovers, he scored all four on Bristol's ground in a 4-4 draw.

Scoring star in Swansea City's 4-1 first leg win over Newport County was 16-year-old Jeremy Charles, son of Mel Charles and nephew of John Charles, both former Swansea players. He came on as substitute and scored with his first kick, and then got his second with a header in a manner reminiscent of the way John used to score so many of his goals.

While the five goals from Tony Evans was the highest total scored in the two legs there was a surprising number of players who managed to score in both ties — in fact twelve altogether. The others were: Buckley (Walsall), Crossley and Draper (Chester), Newton (Huddersfield), Friday (Reading),

Bannister (Bristol Rovers), Phillips (Rotherham), James (Tranmere), Graham (Lincoln), Horton (Brighton), and Svarc (Blackburn).

On August 18th 1971 we met Bolton in the first round of the Football League Cup at Valley Parade. The match looked to be heading for a goalless draw when a late rally by both sides brought a couple of goals within the space of 90 seconds.

Both teams had carved out chances long before this but were unable to make the most of them, at least until Graham Howell sent a clearance up to Graham Oates who headed down into the penalty area. Peter Middleton latched on to it and put us in the lead with four minutes left.

But Bolton hit back immediately, John Byrom taking advantage of some slack marking to run some 15 yards and score with a fine angled drive.

City: Liney; Howell, Podd; Stowell, Corner, Cooper; Hall (J.), Bannister, Oates, Middleton, Hall (C.). Sub.: Owen for C. Hall (injured) 71 minutes.

Bolton: Wright; Ritson, Mowbray; Nicholson, Hulme, Rimmer; Redfern, Rowe, Greaves, Byrom, Jones. Sub.: Hunt for Rowe (injured) 18 minutes.

Attendance: 5,742. Referee: Mr. J. D. Williams (Wrexham).

A week later at Burnden Park the replay was fought out with City being the more accomplished side in the first half though again lacking the all-important finish. After 61 minutes Ron Phillips, following a re-taken bounce up, put Wanderers one up in the 61st minute only for Peter Middleton, 13 minutes later to get up above everyone else to head through John Hall's centre.

Was there to be extra time and possibly another replay? No. with 10 minutes left Redfern ran on to a long pass from Jones, and cutting in scored with a tremendous drive to give his side the right to go Leeds Road to meet Huddersfield Town in the next round.

Bolton: Wright; Ritson, Hallows; Nicholson, Hulme, Rimmer; Redfern, Jones, Greaves, Byrom, Phillips.

City: Liney; Howell, Podd; Stowell, Oates, Cooper; Hall (J.), Bannister, Owen, Middleton, Hall (C.). Sub.: Corner.

Referee: Mr. J. D. Williams (Wrexham). Attendance: 8,256.
